

SPEAKER BIO:

Susanne Dreyer

Susanne is Assistant Vice President, Deutsche Bank and has been with DB since 1998.

She works in Corporate Real Estate & Services (CRES) Department based in London.

Susanne is responsible for Europe Middle East and Africa portfolio (ca. 80,000 sqm) looking after acquisition, disposition, expansion & consolidation of real estate. Her work includes developing strategies for the different locations considering client requirements, costs and DB standards, working closely with DB Business Units, Human Resources, and Group Technology Operations.

Susanne manages M&A and Integration projects European-wide, supported by external service providers. This work includes developing business cases and obtaining governance approvals of the required European and Global Real Estate Committees.

She is also responsible for strategic asset management, capital budget planning / reviewing, & client financial reporting on premises costs across DB's EMEA portfolio.
