

GREENING THE BOTTOM LINE: **Making Sustainability Count**

CoreNet Global Summit

LONDON

17-19 September 2007

SPEAKER BIO:

Ziona Strelitz

Ziona Strelitz is Founder Director, ZZA Responsive User Environments. As Social Anthropologist, Town Planner and Interior Designer, Ziona's distinctive expertise is connecting people, organisations, space and place. She founded ZZA in 1990, and leads the company's research and advisory work with leading corporate occupiers, end users and key participants in the property supply chain to shape efficient, effective and relevant outcomes. Ziona presents internationally, focusing on the delivery and operation of successful workplace solutions.
