

SPEAKER BIO:

***Barry Varcoe***

**Barry Varcoe** joined the Bank as Head of Group Facilities and Logistics in October 2002 as part of the Group Purchasing and Property Operations Board.

As Director, Group Property Barry is now responsible for all aspects of the Group's property portfolio, including acquisitions, disposals, operations and ongoing asset condition. This embraces portfolio strategy, construction and fit out projects, building and interior design, moves, maintenance and catering.

He is a Chartered Surveyor and previous to joining RBS was Global Director for Strategy and Innovation at Johnson Controls Integrated Facility Management.

Barry is married with two daughters and skiing, motorcycling and athletics are amongst his hobbies. His professional qualifications are Fellow of RICS and BSc (Hons).
