

JULIAN HARNOR
Vice president, Global WorkPlace Solutions Asia

Julian has 30 years of experience working in the petroleum industry, production and R&D, and latterly in Facilities Management and Real Estate. Julian was appointed to the position of VP Global WorkPlace Solutions Asia in January 2006 having transferred to Asia in July 2005. The Global WorkPlace Solutions business in Asia employs 3,300 people across the region including Australia and New Zealand, India, Greater China, Japan, Korea and South East Asia.

Julian joined Johnson Controls UK in 1994, from British Petroleum. Prior to his move to Asia, he was Director, European Centre of Excellence, driving the development of standard processes and best practices through the business. Prior to this Julian had direct responsibility for the successful FM operations for Barclays Bank and British American Tobacco.

Julian graduated with a Degree in Mechanical Engineering from the University of Salford in 1974. He is a fellow of the Institution of Mechanical Engineers.
