

Michael A Zamora

Senior Manager
Asia Pacific & Japan Region
Cisco Systems

Mr. Zamora has spent the last 9 years working in Hong Kong. Prior to Hong Kong, he worked in London, Boston, New York, Newport Beach and Phoenix. His past roles in the Real Estate Industry have been: Architect, Developer, Financial Analyst, Investment Salesman, Institutional & Corporate Advisor, Construction Manager, Project Manager, and Asset Manager.

Mr. Zamora currently works for Cisco System where he is a Senior Manager for the Workplace Resources Group, based in Hong Kong. He has worked for Cisco in the Asia Pacific & Japan region for 6 years. Cisco's Portfolio in APJ is located in 14 countries and consists of 64 locations. The portfolio is approximately 1.8 million sf. His roles have included: Real Estate Manager, Strategic Planner, Planning Manager, Client Account Manager for APJ Business Units, and APJ Lead for WPR's next generation environment group, "Workplace Effectiveness".

Prior to joining Cisco, Mr. Zamora was the Asia Pacific Director of Corporate Services for Brooke International, where he oversaw the Corporate Real Estate department for 14 offices. His first position in Asia was as Vice President for Koll Asia Pacific, a US based Real Estate Development Company, where he oversaw the development of projects in China and Thailand.

He graduated from Harvard with a Master of Business Administration and attained his Bachelor of Architecture degree from Arizona State University. He is U.S. Registered Architect and Real Estate Broker.

Mr. Zamora is currently the Asia Regional Council Chairman for CoreNet and serves on CoreNet's Global Board of Directors. Previously he was the Asia Regional Council Chairman for IDRC.

He has been lucky enough to be happily married to Karen for over 15 years and is hoping to make it to 50 years. He has two children, Sandra – 8 years old and Michael – 5 years old.
